

Dena'ina Civic & Convention Center, Anchorage, Alaska

The Employment First Conference is for **business owners and managers**. Come network with other employers and agencies and gain information on how to manage your business's culture and growth with employment and hiring practices that are effective today in the changing workforce of Alaska.

This one day conference focusing on **diversity and workplace culture** for business is complete with presentations and resources on topics including:

- utilizing untapped labor pools
- artificial intelligence in the workplace
- tax incentives
- universal design
- workplace accommodations
- mental health in the workplace
- and local business owners experience to successful business growth
