LOOK! THINK! ACT!

UNLOCKING THE POWER OF DATA
Family Data Leader Training

Join us for a 2 Day Training Series to Empower Parents and Caregivers.

What is A Family Data Leader?

A Family Data Leader uses their knowledge of the Individuals with Disabilities Education Act (IDEA) to help improve early intervention programs and systems for children with disabilities. They use data to make informed decisions that impact education, while empowering parents and families to collaborate in their child's success.

Want to be part of the change?
Become a Family Data Leader today!

Participants will receive a $50 Gift Card Upon Course Completion!!
