

Social Security Disability Benefits

Everything you need to know.

Securing today
and tomorrow

A **FREE** workshop from Social Security.

- Information about disability benefits and the disability application process.
- How to use your personal **my Social Security** online account and other online services.
- What is Supplemental Security Income (SSI) and what are the eligibility requirements?
- What do you need to report when you receive SSI?
- What other Social Security programs are available, and who is eligible?

Your personal **my Social Security** account gives you immediate access to important information and tools.

Visit ssa.gov/myaccount to create your personal **my Social Security** account and print your *Social Security Statement* **before** attending the workshop.

Speaker:

Nathan Cole, Public Affairs Specialist from the Social Security Administration will provide a Disability Benefits workshop covering the disability application, the different disability programs we offer, and provide tips and best practices.
